Report of Independent Registered Public Accounting Firm

To the Board of Directors
Onyx Partners, Incorporated

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Onyx Partners, Incorporated (the Company) as of June 30, 2019 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes (the financial statement). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of June 30, 2019, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures to respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

ONYX PARTNERS, INCORPORATED
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 – ORGANIZATION

Onyx Partners, Incorporated, a California corporation, was formed in August 1990 and was granted its registration as a broker-dealer in securities under the Securities Exchange Act of 1934 in December 1991. Onyx Partners, Incorporated (the “Company” or “Onyx”) became qualified as a broker-dealer with the National Association of Securities Dealers (now known as the Financial Industry Regulatory Authority (FINRA)) in May 1993.

In connection with its activities as a broker-dealer, the Company intends to hold no funds or securities for customers, and does not intend to execute or clear customer transactions. Accordingly, it is exempt from provisions of SEC Rule 15c3-3 relating to the physical possession or control of such funds or securities.

The Company is also a registered investment adviser with the California Department of Corporations. For investment adviser purposes, the Company itself holds no funds or securities for customers.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Definition of Fiscal Year:

The Company’s fiscal year end is June 30.

Cash and Cash Equivalents:

Cash equivalents consist of highly liquid investments with maturities of three months or less from the date of acquisition. Cash and cash equivalents are on deposit with financial institutions without restrictions.

Fair Value:

The fair value of financial instruments, including cash and cash equivalents and accounts payable, approximate carrying value, principally because of the short maturity of those items.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reported period. Actual results could differ from these estimates.

Concentration of Credit Risk:

Financial instruments, which potentially subject the Company to concentrations of credit risk, consist primarily of cash. The Company maintains cash balances at financial institutions that may, at times, exceed amounts insured by the Federal Deposit Insurance Corporation.

Revenue Recognition:

Revenue is recognized when earned and realization is reasonably assured.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and Equipment:

Property and equipment are stated at cost less accumulated depreciation. Property and equipment are depreciated over the estimated useful lives of the assets on a straight line basis. Estimated useful lives of the assets are between three to five years.

Property and equipment as of June 30, 2019 consisted of the following:

Furniture and equipment	\$ 14,944
Vehicle	74,617
Less accumulated depreciation	<u>(80,976)</u>
Total property and equipment	<u>\$ 8,585</u>

Income Taxes:

The Company applies the Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") relating to accounting for uncertain tax positions. The Income Taxes Topic establishes financial accounting and reporting standards for the effects of income taxes that result from an enterprise's activities during the current and preceding years. It requires deferred tax assets be recognized for temporary differences that will result in deductible amounts in future years and for carry forwards. Deferred tax expenses or benefits are recognized in the financial statements for the changes in deferred tax liabilities or assets between years.

The Company recognizes the tax benefit from uncertain tax positions only if it is more likely than not that the tax positions will be sustained on examination by the tax authorities, based on the technical merits of the position. The tax benefit is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The Company's policy for interest and penalties related to uncertain tax positions is to classify them in the financial statements as interest expense.

Subsequent Events:

Subsequent events are events or transactions that occur after the balance sheet date but before the date the financial statements are available to be issued. Subsequent events that provide additional evidence about conditions that existed at the balance sheet date are considered in the preparation of the financial statements presented herein. Subsequent events that occur after the balance sheet date that do not provide evidence about the conditions that existed as of the balance sheet date are considered for disclosure based upon their significance in relation to the financial statements taken as a whole.

NOTE 3 – LEASE COMMITMENTS

Beginning January 1, 2013 the Company entered into a one-year lease agreement for office space at a cost of \$320 per month. Since the lease expired on December 31, 2013, the Company has leased the same space on a month-to-month basis.

ONYX PARTNERS, INCORPORATED
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 4 – CAPITAL CONTRIBUTIONS

The sole stockholder of the Company, Andrew J. Astrachan, made capital contributions in the amount of \$300,000 during the fiscal year ended June 30, 2019. As capital may be necessary, Andrew Astrachan will fund the Company.

NOTE 5 – INCOME TAXES

The Company has losses carried forward for income tax purposes through June 30, 2019. The Company paid \$800 of California state income taxes for the year ending June 30, 2019. After consideration of the state taxes paid and valuation allowance recorded on the deferred tax assets generated, there were no material reconciling differences between the statutory rate of 21% and the Company's effective tax rate for the year ended June 30, 2019. The differences between the tax basis of assets and liabilities and their financial statement amounts are reflected as deferred income tax assets or liabilities using enacted tax rates.

There are no current or deferred tax expenses for the period ended June 30, 2019 due to the Company's loss position, other than the \$800 paid to California for state income taxes during the year ended June 30, 2019. The Company has fully reserved for any benefits of these losses. The deferred tax consequences of temporary differences in reporting items for financial statement and income tax purposes are recognized, as deferred tax assets or liabilities. Realization of the future tax benefits related to the deferred tax assets is dependent on many factors, including the Company's ability to generate taxable income within the net operating loss carry forward period. Management has considered these factors in reaching its conclusion as to the valuation allowance for financial reporting purposes at June 30, 2019.

As of June 30, 2019, there is no accrued interest or penalties recorded in the financial statements. The Company's federal tax filings remain subject to examination by the federal taxing authorities for years 2012 through the present.

The composition of the Company's deferred tax assets at June 30, 2019 is as follows:

Net operating loss carryforwards	<u>\$ 2,436,332</u>
Statutory federal income tax rate	21%
Deferred tax asset	(511,630)
Less: Valuation allowance	<u>511,630</u>
Net deferred tax asset	<u>\$ --</u>

NOTE 6 – NET CAPITAL REQUIREMENTS

The Company, as a registered broker-dealer in securities, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital, as defined, of no less than the greater of \$100,000 or 6.667% of aggregate indebtedness and a maximum ratio aggregate indebtedness to net capital of 12 to 1. Also in accordance with the Securities and Exchange Commission Uniform Net Capital Rule 17a-11, the Company must maintain 120% of its minimum net capital requirement. At June 30, 2019, the Company has net capital, as defined, of \$473,108 which was in excess of its required net capital by \$373,108. The Company's ratio of aggregate indebtedness to net capital at June 30, 2019 was 0.0003 to 1.
